

Watertown Housing Authority
1091 Buckingham Street
Watertown, CT 06795

INVITATION TO BID

The Watertown Housing Authority is seeking quotes for replacement of thermostats and emergency switches at Truman Terrace, 100 Steele Brook Road, Watertown, CT 06795.

I. Scope of Work for Thermostat replacements:

Replace 78 white electric heat thermostats with thermometer's built in (220 volts each). We request a Honey Well Thermostat (Part #HWT4398B-1029 or comparable product in price and function) Check all high voltage wires, check all circuit breakers, and replace thermostats.

II. Scope of Work for Emergency Switches:

Replace 66 Call-to-Aide low voltage emergency call to aid kit with pull chord. This is just a switch and light replacement. Rewiring should not be required. But please check all wiring, high/low voltage checks, remove old switches and dispose of them when installing new pull switches and lights.

Bidder Instructions: Interested bidders must visit the Watertown Housing Authority Website at www.watertowncthousingauthority.com. A 'Bid Sheet' will be available on the homepage to download with detailed job specifications and instructions for bid submission.

Interested bidders that have difficulty downloading the form may contact the PropertyWorx at 860-274-5182 to have the form mailed to you.
