Housing Authority Regular Meeting March 8, 2023 Page 3

Chair Janelle Wilk stated this has been a long and ongoing process for everybody and did not want to make a quick decision tonight since we are all briefly looking at everything. She asked the commission if they wanted to review the information and then have a zoom meeting to award the bid.

Representatives from the three companies, Vlad from 4 You LLC, Hank from A. Secondino & Son Inc. and Stanley from Stanley Construction gave background on their company, projects done and their goals.

Russell Antonacci, Manager noted we had 3 bidders the last time we went through this exercise, one of the bidders had the proper window count and picked up on the issues with the supplier. They came back to the property, did a personnel count, and clarified the situation and supplied the correct number and that was Stanley Construction.

A motion was made by Dan DiVito, and seconded by Denise Russ to table the action on the sealed bids for Truman Terrace window project.

By voice vote the motion was passed unanimously

6. Property Manager's Report

Russ Antonacci, Manager reported on the changing of banking and stated we are in negotiations with Thomaston Savings Bank and Webster Bank and at our April meeting I will be able to provide a balance sheet.

Chair Janelle Wilk noted that Russ is an official signer for the Thomaston Savings Bank now.

Lori Finke reported:

- 1. Available apartments: three units at Buckingham Terrace, Truman Terrace has five that are open, we did fill one at Truman Terrace and Country Ridge and one relocated out of Truman.
- 2. Once the recertifications are done I will be able to make phone calls and get people in to show the open apartments.
- 3. It was brought up about the energy audits and I have spoken to Bantam Wesson and Eversource and they are both on board. They said now is a better time than two years ago due to incentives. They have already done Tier One at all three sites, next we can move to Tier Two and do audits.

7. Old Business

a. Discussion and possible action on cameras and additional lighting.

Chair Janelle Wilk talked about stolen mail from mailboxes and some residents being bothered at their back door. We called the Police Department; it is nothing to be alarmed about and we need to be a little bit more aware. She noted we should look at additional lighting needed for safety and then maybe add some cameras in certain areas where there are problems.

Denise Russ asked would the Police Department be able to help.

Carmine Verno I am seeing the Chief tonight I will see if he wants to give suggestions on how to best be involved doing an assessment for lights and cameras and have a point of contact.

Sharon Pratt stated it was suggested by one of the tenants that we should have a camera in the community for tenants doing laundry at all hours because the doors do not lock.

Russ Antonacci, Manager I have been through it in all of my communities and I wanted everyone to understand what the limitations are. Cameras will not stop crime they will only allow us to witness it and I want to set clear expectations.

8. Resident Commissioner Report

Sharon Pratt reported:

1. Tenants have asked what the decision was as far as fixing the shingles that are coming off the roofs at Country Ridge?

Lori Finke, Property answered we are investigating it and we know who we need to call to get pricing, it is in the beginning stage.

2.The \$300.00 the RSC is getting for items for at all 3 sites, Cheryl always ordered in bulk and she asked if it could be done that way again to last longer. Whatever we get to split it up between the 3 communities.

Chair Janelle Wilk answered it can go back to the way it was.

Lori Finke, Property Manager stated I will look into it and purchase in bulk.

Housing Authority Regular Meeting March 8, 2023 Page 5

Sharon Pratt asked with the money saved if we could more decorations for the holidays.

- 4. The three bulletin boards that went into each of the halls the tenants are using them as they wish. One community is using it as memory board.
- 5. Sharon also noted that the bingo games have picked up,

Dan DiVito asked why the flag is not out.

Lori Finke, Property Manager stated it was due to the windy conditions and they would put up new ones in April. The old flags were donated to the American Legion.

3. Regular Session

4. Discussion and possible action on bids received for Truman Terrace window project.

Motion was made by Carmine Verno and seconded by Denise Russ to award the bid to AHova Home Improvement LLC.

Housing Authority Special Meeting March 16, 2023 Page 2

Carmine Verno stated I think they are a company who has done projects this big. They are the least expensive which is always good. I have not been able to find problems with that company. With that being said that is why I made the motion to award them the bid.

Dan DiVito stated I agree with everything Carmine said. I also think it is very important that we watch our overall spending, this is a very large project. We have other large projects that this unit and other units need to be done. This is what we saw to be the lowest qualified bidder. Their references came back, they seem capable to do it and they were the lowest price.

Chair Janelle Wilk stated I agree with you and Carmine with that and I appreciate the fact that there references came back and they have worked with Housing Authorities before and one that would be comparable to doing the job that they would be doing for us as well. I one hundred percent agree with you we do have two other sites we need to be mindful as well and I want the job to be done correctly too.

Denise Russ stated I have to agree with everybody, everything that was said and I liked thank all seven bidders for taking the time to put in their bids.

Chair Janelle Wilk stated, Denise I appreciate that some of them bid the first and second time, I definitely want to extend that as well.

Sharon Pratt stated I agree with everything everybody said I believe it is important to look at cost and their ability to do it they seem to work with other Housing Authorities and are capable of doing the job in a timely manner. I would also like to thank everybody who put in a bid, appreciate it very much.

By voice vote the motion passed unanimously

Chair Janelle Wilk we are now officially all in agreement that we will award the bid to AHova Home Improvement LLC and I thank you everybody.

5. Adjournment
